The Indiana State Association of Middle Eastern Teachers and Dancers, Inc. (ISAMETD) is a not-for-profit organization incorporated in September 1978. ISAMETD's purpose is to promote the dance and educate the public about the artistic and cultural merit of Middle Eastern dancing. To this end, ISAMETD has been an annual participant in the International Festival and the Penrod Art Fair almost since their inception. At both the International Festival and Penrod Art Fair, members perform and audience participation is encouraged. In addition to these two events, ISAMETD also sponsors dance seminars and concerts to give members and the public an opportunity to study with some of the most outstanding Middle Eastern dance instructors in the country.

Any member can run for elected office and help guide the direction of the organization during their term in office. As a member, you are entitled to perform at International Festival, Penrod Art Fair, and other charity events, dance seminars, and informal dance parties hosted by ISAMETD. An annual Costume Seminar is scheduled each January where members can learn secrets of making beautiful costumes and accessories. A bi-monthly newsletter is mailed to all members, reporting on current activities and upcoming events. Our bi-monthly meetings are scheduled the first Monday of February, April, June, August, October, and December. These meetings are normally held at area restaurants.

We hope you will join ISAMETD to meet new friends, exchange ideas, share dance experiences, and just have an enjoyable time with others who share your love of Middle Eastern dance!
